Projects Abroad "Honeyteer"

Instead of spending their honeymoon lounging on the beach or being cooped up in a stuffy hotel room, newlyweds can now celebrate by giving back! A "Honeyteer," a honeymoon spent volunteering, is the perfect way to start a new life with your spouse or partner. Projects Abroad offers over 100 projects in 26 countries worldwide and can give newlyweds a unique and gratifying honeymoon experience.

Couples can enjoy the beauty and serenity of many exotic destinations through Projects Abroad, all while making a difference in the lives of those from deprived communities.

SOME OPTIONS INCLUDE:

- ▶ Teaching English to children in Rio de Janeiro, a tropical city home to the world's largest urban forest, beautiful beaches and the Amazon River.
- ▶ Caring for orphans in India amidst an abundance of ancient temples and colorful tribal villages.
- ▶ Adventurous duos can help with mammal conservation efforts in Mozambique, an African state admired for its white sandy beaches and marine life.

And many more!
